Against Phillip Ford

In The Court Of Common Pleas
Of Knox Co.

Administrator Sues To Re-
cover Sum Of \$17,000

In The Estate Of John E.
Russell, Deceased

Other Items Of Interest From
Court House

A suit for divorce has been commenced in the court of common pleas of Knox county by Ethel M. Ford against Phillip Ford. The plaintiff states they were married June 27, 1912, and that one child was born to them. The plaintiff charges the defendant with cruelty and gross neglect and states that on August 11, 1913, the defendant left her and went to Lima, O., where he is now employed as a cook at the Lima House at \$40 per month. The allegation is made that the defendant refuses to provide for his wife and child and that the child is sick and needs care and attention. The plaintiff asks for a divorce, the custody of the child and alimony in a reasonable sum. Lot C. Stillwell represents the plaintiff.

Sue For \$17,000

Barton W. Blair, administrator de bonis non of John E. Russell, deceased, has commenced an action in the court of common pleas of Knox county against William C. Russell and the American Surety Company, in which the plaintiff seeks to have the defendants pay over the sum of \$17,000 which it is alleged is due the estate. The plaintiff in his petition states that on December 18, 1908, Wm. C. Russell was appointed administrator of John E. Russell, giving bond in the sum of \$5,000 in the American Surety Company. On March 22, 1909, the defendant Wm. C. Russell gave an additional bond of \$12,000 in the American Surety Company, making a total bond of \$17,000. The petition alleges that up until July 23, 1913, the administrator collected assets of the estate, including the sale of real estate, to the sum of \$18,891.45, but that he refused to file an account in probate court, showing what money was due the estate as assets, as required by law. The petition states that on July 23, 1913, the defendant, Wm. C. Russell was removed as administrator of the estate by the probate court and that Barton W. Blair was appointed administrator de bonis non. The plaintiff states that he has requested the defendant to file an account, but that he has refused and neglected to do so. The plaintiff therefore asks that the defendants be compelled to turn over the sum of \$17,000, which is claimed, is due the estate. The attorneys for the plaintiff are Blair & Blair and Columbus Ewalt.

Chronic Stomach Trouble Cured

There is nothing more discouraging than a chronic disorder of the stomach. It is not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle. "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all dealers.

Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.
